This book explores the latest advances in how knowledge organization can both draw on and inform different disciplines and technological developments. It examines how best to combine theory and practice. The content considers practical

solutions as well as the theory behind the design, development and implementation of knowledge organization systems, ranging from controlled vocabularies, classification systems, metadata schemas to ontologies and taxonomies.

Hotline for your order +49 7221 2104-260 | Online www.ergon-verlag.de
E-Mail orders@ergon-verlag.de | Fax +49 7221 2104-265 | or in your local bookstore

You can withdraw from your book order without giving reasons within fourteen days. Simply send your written withdrawal within the given period to: Nördlinger Verlagsauslieferung GmbH & Co. KG, Augsburg Str. 67A, 86720 Nördlingen, Germany or to your bookstore. A withdrawal binds you to return the items. All costs and risks of return are payable by the addressee.
